

Hey, Brother Tom

It's been a while since
I seen you at Chick Buckbee.

They sent me to Tiger Morton,
and ended up at DRK. I've been
continuing my studys in the bible.

I now have read John, Acts, Romans
and have started praying twice a day
not counting saying grace. I
have improved my attitude toward other
people. How have you been? How's
your house you started? How's your
family been? I hope your kids are
doing good. I hope you write
back to DRK please.

Sincerely,
